

# Amazing Texas Hummingbirds

---

Date: Saturday, September 11, 2010

Location: El Paso Water Utilities Carlos M. Ramirez  
Tech<sub>2</sub>O Water Resources Learning Center  
10751 Montana Ave

Time: 1:00 to 4:00 p.m.

Cost of workshop is \$5.00 per person

*3 hours Advanced Training for Texas Master Naturalists*

An introductory workshop to the 18 hummingbird species recorded in Texas with special emphasis on West Texas hummingbirds. Learn identification tips, hummingbird ecology, gardening for hummingbirds using native drought-tolerant plants, dealing with pests at the feeder and on-site identification training at hummingbird feeders. Come and learn more our Texas hummingbird treasures.

Advance Registration Required!
